

# KNOWLEDGE

Scripture Verse: Wisdom 7:17

**Description:** The Gift which allows us to know about the world and people that God made.

We all know a little bit about the world and about people, but this Gift is a special kind of knowledge. Through this Gift, God helps you know *how things work* as well as how He has created *all of these things to bring good*.

On the lines below, describe "Knowledge" in your own words.
